**ARCTIC® APPLES NOW AVAILABLE FOR PURCHASE
ON AMAZON FRESH IN SELECT AREAS**

Summerland, BRITISH COLUMBIA (May 3, 2021) – [Okanagan Specialty Fruits® \(OSF\)](#), developer and grower behind the innovative [Arctic® apple](#), is pleased to announce 5 oz. and 10 oz. packages of Arctic® Granny and Arctic® Golden fresh apple slices will be available on Amazon Fresh starting today.

"For a busy family, Arctic® apple slices are a perfectly fresh and healthy snack for at home, on-the-go, and lunch-box," said Neal Carter, president and founder of OSF. "They're naturally sweet, provide a full serving of fruit, and a great source for Vitamin C. We think Arctic apples are the best-tasting apples, and we're so excited to let families try them!"

Arctic Apples will be available to Amazon Fresh shoppers in Sacramento, San Diego, Los Angeles, San Francisco, Phoenix, & Las Vegas.

"We are thrilled to work with Amazon Fresh. It is exciting to have Arctic apple slices delivered directly to shoppers," said Carter. "Having the ability to be part of consumers' Amazon Fresh grocery order is an incredible milestone for us. We look forward to a long-lasting relationship."

Arctic apple slices retain their fresh appearance and flavor long after conventional apple slices. Arctic apples are grown for those who believe wholesome foods are essential for a healthy lifestyle and are looking for unmatched fruits in quality, convenience, and sustainability. About Okanagan Specialty Fruits® & Arctic® Apples

Okanagan Specialty Fruits® (OSF) is a vertically integrated company specializing in developing, processing, and marketing novel tree fruit varieties developed through bioengineering. Based in Summerland, British Columbia, Canada, OSF was founded in 1996 and acquired by an affiliate of Third Security, LLC in 2020. OSF's flagship product is its nonbrowning Arctic® apples. Arctic apples provide a sustainable solution to less food waste and improved apple consumption.
