Dear Sir or Madam:

We have received and reviewed the report of the August 22, 2023 veterinary sanitation audit of your facility. As a result, we approve your establishment (at the above address) as a source of apples (fresh sliced RTE) for U.S. Armed Forces procurement. This approval is limited to products produced on or after the audit date.

We have listed your establishment in the *Worldwide Directory of Sanitarily Approved Food Establishments for Armed Forces Procurement*.

Continued approval and listing in the Worldwide Directory depends upon your maintaining an acceptable sanitation audit rating during routine sanitation audits.

Should you relocate your establishment, remodel extensively, or furnish new products, please advise the inspection activity responsible for your plant.

If you have any questions, please contact Dr. Rebecca Benisch at 410-417-3725, e-mail dha.apg.pub-health-a.mbx.food-protection@health.mil.

Sincerely,

Rebecca H. Benisch
Approved Sources Manager
